**BLACK LADIES SHEEP SKIN LEATHER PANTS**

BEST fitting black leather pants available. Made of top quality, top grade sheepskin nappa leather.

**Sheep Nappa**

Originally, only sheep skin was referred to as "Napa." However, in recent years, the word "Napa" has become an adjective, meaning "soft" and now this term covers all leathers with a smooth and soft surface, which come from the outer skin (hair side) of the animal. This leather is considered soft and smooth and can be obtained in many finishes.
